

Practice Chart

Student: _____

Instructions: Briefly describe your practice each day in the chart below. Include **what** and **how** you practiced, the **day** of the week, the **date**, and how long you practiced (**duration**). If your lesson is once per week, just complete the first column, but if your lesson is bi-weekly, complete both columns. As you practice, write **questions, ideas, and comments** for your next lesson at the bottom of the page.
